*Examiner's Amendment*

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David D. Kim on 05-06-2004.

The application has been amended as follows:

In the Specification:

Page 13, line 13, change "Figure 1" to "Figure 2" and change "Figure 2" to "Figure 3".

Page 16, line 2, change "Figure 3" to "Figure 4".

Page 16, line 6, change "Figure 4" to "Figure 5".

In the Drawings:

Page 1/3, insert "Fig. 1" at the bottom of the page in the center of the page.

Page 2/3, change "Fig. 1" to "Fig. 2" and change "Fig. 2" to "Fig. 3".

Page 3/3, change "Fig. 3" to "Fig. 4" and change "Fig. 4" to "Fig. 5".

*Reasons for Allowance*

The following is an examiner's statement of reasons for allowance: Applicant has amended claim 1 to limit monomer "a) iii)" in the polyacrylate copolymer to a (meth)acrylate whose alcohol component contains tert-butoxycarbonyl (BOC) or a combination of tert-butoxycarbonyl and hydroxyl groups, thus obviating the rejection of record. It is agreed that neither Skinner nor Karim, of record, teaches or suggests polyacrylates obtained by thermal crosslinking of compositions comprising a polyacrylate

Art Unit: 1711

having tert-butoxycarbonyl groups, a polymerization regulating photoinitiator and a difunctional isocyanate and/or bifunctional epoxide in the weight percents set forth in the instant claims.

It is noted that applicant's remarks filed 04-23-2004 indicate that the amendment was not presented earlier because the amendment is responsive to a new ground of rejection made for the first time in the final rejection mailed 10-23-2003. However, in response, the first Office Action rejected the claims 1, 2, 11 and 12 under 35 USC 102 over Skinner '600 and over Karim '289. The rejection of claims over Karim was made under 35 USC 103 in the final rejection, thus "new" grounds of rejection are not considered to have been introduced in the final rejection.

The Drawings have been corrected to note that page 1/3 is Figure 1 as described in the specification on pages 7-8. The Figures on pages 2/3 and 3/3 originally numbered 1-4 have been renumbered 2-5. The numbers of the corresponding Figures in the specification on pages 13 and 16 have been changed to agree with the drawings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
